EXPERIENCE

State of Utah, Salt Lake City — *Eligibility Specialist*

January 2019 - PRESENT

Using multiple web-based applications to provide State and Federally issued benefits to those that qualify for them, providing feedback for and developing user stories in the form of policies and procedures for the programs I am responsible for.

Lexington Law Firm, North Salt Lake — *Development Coach*

May 2016 - December 2018

Collaborated with other coaches and trainers to write user stories and plan weekly, bi-weekly, and monthly goals for phone agents and create the programs to help them achieve those goals.

EDUCATION

University of Utah, Salt Lake City — *Coding Certificate*

Nov 2019 - May 2020

Learned about creating websites and web-based applications using both Full-Stack coding logic. Specifically using HTML5, CSS3, JavaScript(Vanilla and jQuery), and frameworks like React.JS on the Front-End, and MongoDB, MySQL, Express and Node.JS on the Back-End.

University of Utah, Salt Lake City — *Bachelor's in Health, Society and Policy*

MONTH 2015 - May 2018

Learned how laws and policy affect a population's health outcomes.

PROJECTS

Soggybottom League Manager —

<https://soggybottomleaguemanager.herokuapp.com/>

An application designed to help create and manage sports leagues. Utilizes passport for authorization, an SQL database, and an HTML templater engine Handlebars.JS.

Santa Paul's Website —
